To cope up with the increased work of the Treasury section in the Taluk Office at Sandur I submitted proposals in this office Rc. No. 13837/50.S1 dated 19-9-50 for the sanction of a Lower Division Clerk for a period of 3 months from the date of appointment. Arrears are accumulating day by day and as such I feel that one Lower Division Clerk may not be able to clear off this arrear correspondence connected with the pre-merger period of the state such as handing over of private properties of the Ruler, settlement of survey, Inam enquiry, Administration of temple estates, recovery of advances drawn by the Hazur Secretary to the Ruler and the Hazur Khasgi department staff. There are at present 150 pending currents relating to the pre-merger period. The several deposits as on 31-3-49 and on 1-4-49 have to be reclassified under the Madras system of accounting. The registers were not maintained in a methodical way by the erstwhile Sandur Government. They were classified by the State Government as follows:--

P.t.o.

(a) Other Deposits.
(b) Contract deposits.
(c) Revenue deposits.
(d) Palace deposits.
(e) Local and other funds.
(f) Suspense account.
(g) Prospecting license deposits.

The deposit ledgers maintained by the Erstwhile Sandur Government under the above heads have to be rewritten after careful examination of each item with reference to the records and then the extract registers of receipts and repayments have to be rewritten up. This involves much work which is more than a match for one Lower Division Clerk for 3 months. I therefore consider that in order to bring the State Treasury correspondence on a par with other Sub Treasuries a responsible Upper Division Clerk for a period of six months in addition to the Lower Division Clerk requested for in this office Rc. No.13830/50.A1 dated 19-9-50, is also necessary, and accordingly request that in addition to the Lower Division Clerk for a period of 3 months sanction may also be obtained for the post of a Upper Division Clerk for a period of six months from the date of appointment for the work connected with the Treasury organisation.
